PLEASE NOTE TIME AND PLACE OF SALE—11 A.M.

CONDITIONS OF SALE.

FIRST.—The highest bidder to be the buyer ; and if any dispute arise between two or more bidders, the lot so in dispute shall be immediately put up again and resold, provided the auctioneer cannot decide the said dispute.

SECOND.—No person to advance less than 1s. ; above five pounds, 5s. ; and so on in proportion.

THIRD.—In the case of lots upon which there is a reserve, the auctioneer shall have the right to bid on behalf of the seller.

FOURTH.—The purchasers to give in their names and places of abode, and to pay down 5s. in the pound, or more in part of payment, or the whole of the purchase-money, *if required* ; in default of which the lot or lots so purchased to be immediately put up again and resold.

FIFTH.—Each lot is guaranteed genuine, but should any lot prove to be a forgery, or reprint, or wrongly described in the catalogue, the purchaser is at liberty to take or reject it, provided always that notice of such rejection be made and the lot returned within seven days from date of sale. This guarantee does not apply to collections of stamps, or to mixed lots.

SIXTH.—To prevent inaccuracy in delivery, and inconvenience in the settlement of the purchases, no lot can on any account be removed during the time of sale, and the remainder of the purchase-money must absolutely be paid on the delivery.

SEVENTH.—Upon failure of complying with the above conditions, the money deposited in part of payment shall be forfeited ; all lots uncleared within the time aforesaid shall be resold by public or private sale, and the deficiency (if any) attending such resale shall be made good by the defaulter at this sale.

EIGHTH.—If any owner has placed a reserve on any lot, the auctioneers reserve to themselves the right to publish the fact and price at which it is reserved.

THE COLLECTION OF
SENOR DON I. SOLER.

THIS assemblage of Roman Aurei has been formed by a well-known resident of Madrid who has collected for very many years ; and many of the coins were found in Spain.

Although the Collection only possesses a few of the great rarities, there are many pieces in superb condition. The following are worthy of special note : 59, 91, 114, 130, 138, 147, 153, 154, 157, 161 and 172.

Great care has been taken not to over-describe the condition of the coins, and the abbreviations used are as follows :

f.d.c. = Fleur de coin (Mint state).
unc. = Uncirculated (as last, but without the Mint bloom).
e.f. = Extremely fine (only showing the very slightest wear).
v.f. = Very fine (still desirable).
g. = Good.
f. = Fine.
m. = Mediocre.
p. = Poor.

All the illustrated pieces are indicated by an asterisk before the lot number, in which case it has been thought unnecessary to give more than the briefest details.
